

INCLUSIVE AND INTERACTIVE EDUCATION THROUGH CREATIVE ARTS - FALL 2020 CLASSES -

IN PERSON CLASSES

Creative Education Learning Pod Jr. (3-5yrs) Mondays & Wednesdays: 10am - 12pm

This 2-hour creative arts class is facilitated in a small learning pod. Children learn important educational building blocks and develop essential social skills by engaging in creative arts activities.

Creative Education Learning Pod (5-8 yrs) Mondays & Wednesdays: 4:15pm - 6:15pm

This 2-hour class is facilitated in a small learning pod. Children gain academic and learning support through fun, enriching, and dynamic creative art projects. Developed to support children who are currently receiving in-person, remote, or hybrid model education.

Literacy & Listening (5-8yrs) Mondays: 3pm - 4pm

This small group targets specific skills needed to improve important reading and writing skills for early elementary school students. Students receive a combination of direct one-on-one help, while also participating in integrative art projects and small group work.

Active Readers (8-11 yrs) Wednesdays: 3pm - 4pm

Designed to build confidence and support learners to develop literacy skills in upper elementary grades. Students in a small class environment work to adapt and dramatize a variety of texts, all while strengthening reading fluency and comprehension.

InterAct Theatre and Therapy Lab Ensemble (6-10yrs) Thursdays: 5pm - 6pm

Your child becomes a part of their own theatre ensemble! Our inclusive theatre and therapy program is offered for all ages and abilities. Participants will be placed in age and ability-matched groups.

**Facilitated by Heather Boerner, MA, CCC SLP & Gianna Cioffi, MS, ED*

Storybook Theatre (3-5 yrs) Fridays: 10am - 11am

This theatre class encourages young learners to be active participants in re-creating and interpreting classic stories from across different genres and cultures. They will be exposed to a variety of characters, plots and themes. Each week, children will engage in theatre and various arts based activities that have been selected to target pragmatic language, as well as the development of social emotional learning skills.

All classes are facilitated by Gianna Cioffi, M.S., ED. Maximum of 3- 4 children per group.

CDC guidelines are strictly followed for in-person classes.

All classes are monthly sign ups at this time.
