The Pout- Pout Fish at The New Victory Theatre

“Oh my blub, it's THE POUT-POUT FISH! Put your fins together for this brand-new musical based on the best-selling children's book series. When Ms. Clam's precious pearl gets swept out to sea, everyone's favorite frowny fishy blankets the reef with his biggest dreary-weary yet. Can our fish of little faith find the gem and save the day? Be shore to find out! For after all, not everything in the big blue sea is as blue as it seems.”
