

New Spring & Summer Offerings at Chatty Child™

InterAct: Theatre and Therapy Lab™ Summer Workshop

About the Program

InterAct: Theatre and Therapy Lab Summer Workshop is an interactive therapeutic workshop designed to promote speech and language development through a unique and creative theatre learning experience. Your child will be empowered to find their voice through fun-filled, immersive, interactive creative arts and theatre activities. Your child will develop speech and language, critical thinking, imaginative play, and social engagement skills — all while tapping into their inner creativity.

InterAct: Theatre and Therapy Lab was created by Heather Boerner MA, CCC-SLP and Gianna Cioffi MS-ED at Chatty Child Speech, Occupational, and Physical Therapy, as a unique and engaging enrichment program for the summer semester. Your child will become part of their own theatre ensemble! Curated weekly themes are developed for each immersive story-telling journey. Our inclusive program is offered to all ages and abilities. Participants will be placed in age and ability-matched groups for weekly classes.

The Details

InterAct: Theatre and Therapy Lab Summer Workshop will run *Monday-Friday from 9am to noon, from July 12th to August 20th 2021*. Families can sign up for as many of the *6 weeks*, as they like. Classes are tailored for children 3-10 years old. Group sizes are 3-5 children per group. Strict COVID-19 precautions will be taken, per CDC regulations, during all in-person classes. All educational materials are provided. We kindly ask that parents provide a snack for your child. We are a nut-free facility.

This year, the *newly enhanced* program will be facilitated and run by Gianna Cioffi MS-ED with guidance from Heather Boerner MA, CCC-SLP and Eleni Lyssikatos OTR/L. This new interactive, immersive, sensory story-telling program utilizes interactive theatre scripts created to specifically target literacy foundational skills, social-emotional learning, speech clarity, social interactions, fine motor, and gross motor skills, while your child engages in a uniquely tailored, immersive sensory story-telling journey. Groups for the InterAct: Theatre & Therapy Lab Summer Workshop are forming now. Contact us today to reserve your spot!

Join us on this exciting, empowering journey of fun, interactive, and immersive storytelling experiences! For more information and to sign up, email info@chattychild.com with **InterAct Summer Workshop** in the subject line.
